

CLOSING THE REVISION.

THE EXCISE COMMISSION'S WORK DONE.

MEMBERS KRUSE AND O'BRIEN REFUSE TO SIGN THE REPORT—A SUMMARY OF THE PROPOSED BILL.

The Commissioners for the Revision of the Excise Laws finished their work on Thursday without delay. They presented to the Legislature without delay a report which they signed, but which was not signed by Messrs. Kruse and O'Brien.

With all the light days passed, and with the results of their own experience and observation to guide them, the majority were of opinion that two fundamental principles should be maintained in the revision of the excise laws.

The report is a long and detailed document, and it is not possible to summarize it in full. It contains a full and complete statement of the work done by the Commission during the past year.
